## [KILL THE COMPLEX](#)

There has been a lot of buzz around new LA band Kill The Complex, and I want to add some fuel to that fire. My boy Mike Elling is a member of this up and coming act and they have been turning a lot of heads in the past few months. If they sound familiar it may be because you heard their track “[Get Away](#)” on Jersey Shore last season. Or it might be because you heard them on KROQ’s Locals Only show, where they finished 5th last week behind She Wants Revenge, Awolnation, Cold War Kids, and the Fling. That’s some pretty good company. They’re actually the featured band this week on [KROQ’s Local’s Only page](#). Locals Only airs on KROQ every Sunday night at 10PM, so let’s vote to help make them #1 this week.
